### **PLEASE NOTE:**

1. After confirming date availability, please submit a Facility Rental Application form (online) and make arrangements for paying your deposit, which is required to hold your dates.
2. Deposits are payable at the time of booking and are fully **non-refundable**. If, however, a trip must be cancelled, the deposit can be transferred to another date within the same school year. If that is not possible, the deposit will be lost.
3. School groups are asked to be in touch with the Program Director *two weeks* ahead of their booking to confirm arrival and departure times, numbers, and schedule.
4. Good weather is not a guarantee. Please check ahead of time and make sure students are prepared well, as this significantly impacts how much they enjoy their trip.
5. Use of the Climbing Wall and Flying Fox is weather dependent; if we are unable to offer these activities due to weather conditions, a discount will be applied.
6. Teachers: Please take note of the documents that might help in preparation for the trip. For example, information on policies, maps, confirmation information and initiative task explanations are all available on our website ([www.shekinahretreatcentre.org](http://www.shekinahretreatcentre.org)).
