INFORMATION PAMPHLET FOR PARTICIPANTS ARE AVAILABLE
THROUGH BERT OR ONLINE AT SHEKINAHRETREATCENTRE.ORG

Thanks to the success of last year, Shekinah's Bikeathon is back with more options than ever before to participate!

Many people said they would participate, but they couldn't risk the chance of an over-the-handlebars "experience" on the graveled portion of the route. Several people asked about hiking. A few asked about paddling. **Pledge forms are available on the website.**

So ... we created the Bike-Paddle-Hike Athon.

Bikers will collect pledges and bike from Saskatoon to Shekinah.

Meet at Adesa parking lot (just north of Saskatoon on Highway 12) at 8:30AM for a 9:00AM departure. From here bikers will travel 70kms to Shekinah. There are rest stops along the way with snacks to refuel. If you decide you would prefer not to bike the gravel portion from Waldheim, you and your bike can be picked up by our shuttle vehicle at Zoar Mennonite Church and be transported to Shekinah. Please make sure your bike is in good working order, that you are wearing bright clothing and a helmet. There will be a trailing vehicle and a bike mechanic on duty.

Kayakers, Canoeists, Standup Paddlers will collect pledges and paddle downstream to Shekinah.

Plan to launch your craft around 9:30AM at Petrofka Bridge. This route is on the scenic North Saskatchewan River and is an easy paddle of 2-3 hours. Please wear a PFD and enjoy! If needed, we will offer a shuttle back to your vehicle so you can retrieve your craft from Shekinah.

Hikers, come hike the beautiful trails at Shekinah Retreat Centre.

Collect Pledges and hike as much or as little as you'd like.

Then everyone will gather together for the lunch provided by Shekinah from 12:00pm until 1:00pm!

Please make arrangements to find your own way back home.
