INFORMATION AND RULES

ACCOMMODATIONS

All winter groups will be based out of the Chalet.

Overnight groups:

Chalet- sleeps 40 with a curtain to divide the building in half.

2 winterized cabins- each sleep 10.

Food and Water

Full kitchen available. Please make arrangements in advance to use the kitchen.

Shekinah's water is safe to drink, and we want you to enjoy it.

SITE RULES AND REGULATIONS

No pets allowed. We are a natural and safe space for wildlife, and for those with pet allergies!

Smoking is only permitted outside and in designated areas. Please ask Shekinah staff where these places are.

SUPERVISION

We recommend a ratio of 1 supervisor for every 6 students. We expect this level of supervision of the students even when a Shekinah staff member is leading an activity. Your adults are responsible for supervising students during transitions and at night. Shekinah staff are available to work with your school between 9am - 4:40pm. We are available to give suggestions for possible evening activities at camp and then you will be responsible for leading these activities.

Please remember to bring your own FIRST AID KIT!!!! This is important in the case of injury or an emergency!

ADDITIONAL NOTES

Your group is responsible for any damages incurred over and above regular wear and tear on Shekinah property.

Food services, medical drug supervision, and food preparation are required by the adults accompanying the group for the duration of the stay.

Community schools may apply for additional subsidy by contacting Shekinah's office for an application form
